

Feel'n' Groovy?

Calling all Folk singers!! There will be a folk sing-a-long on July 12 in the Peace Café from 7-9. Folks of all ages are invited to come to this benefit for the Twin Angel Foundation (established in memory of Lisa Cote and Jeffrey Willson's twin angels, Joshua and Ben.) Bring an instrument, a drum and/or your singing voice—music will be provided to all who participate. The cost is \$10/person and free child care will be provided. Let's fill the Peace Café and raise the roof with music that is timeless, meaningful and just plain fun to sing! Call Crystal Sullivan (276-8614 or kencryss@sbcglobal.net) for more information or tickets. Space is limited!!
